With Chorus Call's **View Q & A** you are armed to manage your call and question period effectively.

Multiple logins are allowed so both you and any executives participating from remote locations can be in the know.

Text chat enables you to communicate directly with your lead operator, account executive and other members of your team.

Reorder callers in queue by assigning numbers and pressing a button.

Project on screen in the board room. Executives appreciate knowing who is coming up next in the question queue.
